Level: $\quad$ High

Our School

- We are America's oldest Public High School
- We are a pilot school
- We have extended hours
- We have two $S$ mall Learning Communities
- We are an $\mathcal{A V I D}$ school
- Every students participates in advisory
- We have six period days
- We offer several Adance Placement courses
- We offer a variety of clubs for our students
- We have an active alumni association

Uniform Policy: Not Specified

Our Partners

- Boston College
- Boston Ulniversity
- Brookside Community Health Center
- Harvard Graduate School of Education
- Iofin Hancock Insurance Company
- Simmons College \& Suffolk University

Our school is in the following $\mathcal{N C C L B}$ category for Mathematics:

| $\mathcal{N}$ (o Status | $\mathcal{N}$ (eeds <br> Improvement | Corrective <br> Action | Restructuring |
| :---: | :---: | :---: | :---: |
| $\boldsymbol{\wedge}$ |  |  |  |

*subgroups only

Under this $\mathcal{N C L \mathcal { B }}$ designation, families in our school are entitled to the following services:

- Option to transfer to another school in the district under the $\mathcal{B} P S$ student assignment policy
- SupplementalEducation Services (tutoring) for low-income students

## What Makes Our School Special?

We betieve all students should be prepared upongraduation to enter and be successfulat a four year college. To that end we provide all students with a rigorous curriculum while at the same time providing supports and interventions needed to ensure their success. Our students come from all over the world and enrich our classrooms with their cultures and languages. Students perform in dramatic productions, play sports, and participate in many clubs. Our school is organized into two $S$ mall Learning Communities.

What Kinds of Parent Support and Resources Does Our School Provide?
We have a Family Resource Center with a parent coordinator. They publish a monthly ne wsle ter, provide lists of community resources, conduct monthly parent meetings and act as advocates for parents and students. They work with faculty to inform parents about the ir child's progress, attendance etc. Our on site health center provides for medical and emotional needs, holds parent seminars and our peer mediation program helps students resolve conflicts.
$\mathcal{H}$ ow are $\mathcal{W e}$ Preparing Our Students for Educational Success?

It is our expectation that our standards-based curriculum will prepare all students for college and a career. Our sixperiod blockschedule with 60 minute 6 locks allows students and teachers to explore ide as in depth and complete research projects. Students select one of two small le arning communities and remain in the same community until they graduate. The communities link academic le arning to real world problems and situations. Students work closely
with the faculty to identify le arning goals. Field trips, research projects, guest speakers, after schoolclubs and activities provide opportunities for students to engage in le arning and realize the ir full potential. We also provide Advanced Placement courses in English, Calculus, Biology, chemistry, Ulnited States $\mathcal{H}$ istory, $\mathcal{U S}$ Government and Spanish. Te achers effectively instruct a variety of curricula, which include $\operatorname{Math}$, Readers/Writers Workshop, inquiry-Gased science, and History Alive. All te achers help students develop their literacy skills by using reading and writing strategies. Teackers meet frequently with the literacy and math coaches to entance these skills. Our guidance counselors work with the Student Support Team to provide academic, medical, and counseling assistance. Our Special Education program supports students with special needs. We have a comprefiensive Englisf Language Learning (ELL) program that includes literacy courses in Spanisf. We offer an after-schooltutoring program to better prepare students for standardized tests and course work. We also our students $\mathfrak{A d v i s o r y}$ and $\mathfrak{A V I} \mathcal{D}(\mathcal{A d v a n c e m e n t} \mathcal{V i a}$ Individual Determenation)

Directions to the School

Walk along Amory Street away from downtown $\mathcal{B}$ oston to $\mathcal{M c} \mathcal{B}$ ride $\operatorname{Street.}{ }^{*} \mathcal{B} y$ bus from $\mathcal{D} u d l e y$ Station, take Forest Hills bus (Rte. 42) to McBride Street.

## Massachusetts Comprefensive Assessment System (MCAS) Results: 2-Vear Trends

The graphics below show our MCAS results in English Language Arts, Mathematics and Science from the past two schoolyears, with the percentages of students scoring at each of the four performance levels. NOTE: Grade 10 Science and Technology/Engineering results represent the fighest performance levelattained by class of 2010 students in grades 9 or 10 in any of the four subjects (Biology, Chemistry, Introductory Physics, and Technology/Engineering). In addition, only students entolled in the same school since October 2006 are included in school-levelresults.

Englisf Language Arts

Performance of Various Student Groups on $\mathcal{M C A S}$ Spring 2008: School, District and State
The charts below show Spring 2008 MCAS results in English Language Arts, Mathematics and Science for each grade level tested, compared with district and state averages. Results at the schoollevelinclude percentages of students (by program, race and income level) scoring at each of the four performance levels:
$\mathcal{A} / \mathcal{P}_{+}=\mathcal{A d v a n c e d} / \mathcal{A}$ bove Proficient $\mathcal{P}=\operatorname{Pr}$ oficient $\mathcal{N} I=\mathcal{N e}$ eds Improvement $\mathcal{W} / \mathcal{F}=\mathcal{W}$ arning $/ \mathcal{F}$ aifing

## Additional Performance Indicators

Individual Student Success Plans (ISSP) Spring 2008

Students eligible for ISSP: $305 \quad 39.5 \%$ of school
Students receiving ISS $P$ : $158 \quad 51.8 \%$ of eligible students

Special Education services and programs (Spring 2008) should be recommended within the least restrictive environment: Our schoolfas met this district goal.

SAT (college-bound seniors who took the SAT I: Reasoning Test at any time through May 2008)

| Average scores: | School | District | State | National |
| :--- | :---: | :---: | :---: | :---: |
| Critical Reading | 362 | 438 | 507 | 497 |
| Mathematics | 394 | 457 | 520 | 510 |
| Writing | 362 | 436 | 505 | $48 \mathcal{S}$ |

Cofort 20074-year Graduation Rate: $49.3 \%$

Spring 2008 Accreditation status: Accredited
